

# Support all your workers' whole health

*We've got you covered*

In today's work environment, not all workers have access to essential healthcare services. MedCall offers cost-effective, on-demand access to board-certified Emergency Physicians, catering to your workers' and their families' needs for both injuries and common illnesses.

## Easily access care anytime, anywhere by phone or app

When a worker or family member is hurt or feeling unwell, facing a daunting process to get care and relief only makes things worse.

- + Perfect for contractors, part-time and seasonal workers and their families
- + On demand and available 24x7x365; no schedules or appointments
- + Board certified physicians who specialize in Emergency Medicine across all US states
- + One-stop shop: Speak with an Physician via audio or video
- + Wait times the fraction of an ER, urgent care and even commercial telehealth visit
- + This benefit is offered as a pay-per-month fee

Show all your workers you care about their overall health with MedCall's telehealth expansion services.
