

On-Demand Care for Your Workers' Injuries and Overall Health

We've got you covered

MedCall is your one-stop-shop for affordable on-demand access to board certified Emergency Physicians for your workers' injuries and whole health needs.

Easily access care anytime, anywhere

Only MedCall offers phone and video-based telehealth access to dedicated Emergency Medicine physicians 24/7/365. As employers face the urgency to do more with less, the need to offer workers quick, convenient, and seamless quality emergency care, is essential. Moreover, MedCall's self-service dashboard assists in managing workers' comp utilization and injury trends.

Features that matter

- 24/7/365 for immediate medical care
- Board Certified physicians who specialize in Emergency Medicine across all US states
- Support for Emergent/Non-Emergent events
- Direct referral to in person care when necessary
- Physician follow up available
- MedCall specialists audio/video record and scribe each encounter.
