

Support your workers' whole health

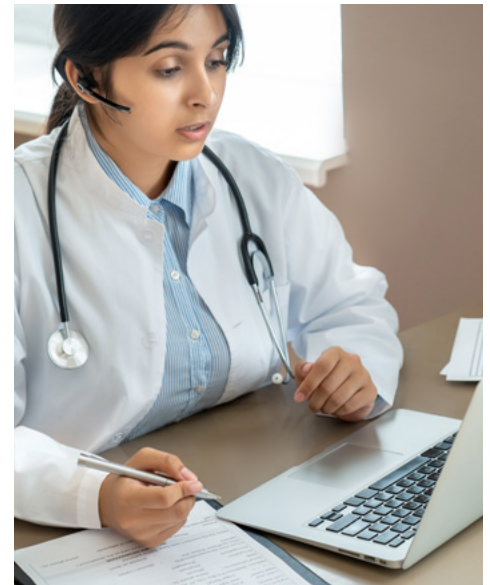

We've got you covered

In today's work environment, not all workers have access to essential healthcare services. MedCall offers cost-effective, on-demand access to board-certified Emergency Physicians, catering to your workers' and their families' needs for both injuries and common illnesses.

Easily access care anytime, anywhere by phone or app

A complex process for care worsens things when a worker is hurt or unwell. MedCall makes it easy!

- + **Access for All:** Perfect for contractors, part-time and seasonal workers and their families
- + **On-demand Access 24x7x365:** No schedules or appointments
- + **Translation Support:** Available in all major languages
- + **Expert Care:** Board certified physicians specializing in Emergency Medicine in all US states
- + **One-Stop Shop:** Speak with an Physician via audio or video
- + **Quick Access:** Wait times significantly shorter than an ER, urgent care and even commercial telehealth visit
- + **Affordable:** This benefit is offered as a pay-per-month fee

Show all your workers you care about their overall health with MedCall's telehealth expansion services.

MedCall Board Certified physicians, available 24 x 7 x 365 to assist with illnesses including:
